

**Centex Construction Company, Inc. and International Union of Operating Engineers, Local 624, AFL-CIO. Case 15-CA-8024**

May 29, 1981

**DECISION AND ORDER**

Upon a charge filed on February 3, 1981, by International Union of Operating Engineers, Local 624, AFL-CIO, herein called the Union, and duly served on Centex Construction Company, Inc., herein called Respondent, the General Counsel of the National Labor Relations Board, by the Regional Director for Region 15, issued a complaint on February 6, 1981, against Respondent, alleging that Respondent had engaged in and was engaging in unfair labor practices affecting commerce within the meaning of Section 8(a)(5) and (1) and Section 2(6) and (7) of the National Labor Relations Act, as amended. Copies of the charge and complaint and notice of hearing before an administrative law judge were duly served on the parties to this proceeding.

With respect to the unfair labor practices, the complaint alleges in substance that on November 12, 1980, following a Board election in Case 15-RC-6665, the Union was duly certified as the exclusive collective-bargaining representative of Respondent's employees in the unit found appropriate;<sup>1</sup> and that, commencing on or about January 29, 1981, and at all times thereafter, Respondent has refused, and continues to date to refuse, to bargain collectively with the Union as the exclusive bargaining representative, although the Union has requested and is requesting it to do so. On February 18, 1981, Respondent filed its answer to the complaint admitting in part, and denying in part, the allegations in the complaint.

On February 23, 1981, counsel for the General Counsel filed directly with the Board a Motion for Summary Judgment. Subsequently, on February 27, 1981, the Board issued an order transferring the proceeding to the Board and a Notice To Show Cause why the General Counsel's Motion for Summary Judgment should not be granted. Respondent thereafter filed a response to the Notice To Show Cause.

Upon the entire record in this proceeding, the Board makes the following:

<sup>1</sup> Official notice is taken of the record in the representation proceeding, Case 15-RC-6665, as the term "record" is defined in Secs. 102.68 and 102.69(g) of the Board's Rules and Regulations, Series 8, as amended. See *LTV Electrosystems, Inc.*, 166 NLRB 938 (1967), enf'd. 388 F.2d 683 (4th Cir. 1968); *Golden Age Beverage Co.*, 167 NLRB 151 (1967), enf'd. 415 F.2d 26 (5th Cir. 1969); *Intertype Co. v. Penello*, 269 F.Supp. 573 (D.C.Va. 1967); *Follett Corp.*, 164 NLRB 378 (1967), enf'd. 397 F.2d 91 (7th Cir. 1968); Sec. 9(d) of the NLRA, as amended.

**Ruling on the Motion for Summary Judgment**

In its response to the Notice To Show Cause, Respondent argues, *inter alia*, that summary judgment should be denied herein inasmuch as no hearing was held on its objection that, in the days preceding the election, the Union distributed erroneous, misleading information regarding the salaries of certain alleged company representatives. We find no merit in this argument. The record in Case 15-RC-6665 clearly establishes that Respondent failed to present a *prima facie* showing that the alleged objectionable conduct occurred. Accordingly, the Regional Director for Region 15 properly recommended that Respondent's objection be overruled.

It is well settled that in the absence of newly discovered or previously unavailable evidence or special circumstances a respondent in a proceeding alleging a violation of Section 8(a)(5) is not entitled to relitigate issues which were or could have been litigated in a prior representation proceeding.<sup>2</sup>

All issues raised by Respondent in this proceeding were or could have been litigated in the prior representation proceeding, and Respondent does not offer to adduce at a hearing any newly discovered or previously unavailable evidence,<sup>3</sup> nor does it allege that any special circumstances exist herein which would require the Board to reexamine the decision made in the representation proceeding. We therefore find that Respondent has not raised any issue which is properly litigable in this unfair labor practice proceeding. Accordingly, we grant the Motion for Summary Judgment.

On the basis of the entire record, the Board makes the following:

**FINDINGS OF FACT**

**I. THE BUSINESS OF RESPONDENT**

Respondent is a Texas corporation engaged in the construction business, with a jobsite at the NASA Space Technology Laboratory facility in Bay St. Louis, Mississippi. During the past 12 months, a representative period, Respondent purchased and received goods and materials valued in excess of \$50,000 which were shipped directly to it from points outside the State of Mississippi.

We find, on the basis of the foregoing, that Respondent is, and has been at all times material herein, an employer engaged in commerce within the meaning of Section 2(6) and (7) of the Act, and

<sup>2</sup> See *Pittsburgh Plate Glass Co. v. N.L.R.B.*, 313 U.S. 146, 162 (1941); Rules and Regulations of the Board, Secs. 102.67(f) and 102.69(c).

<sup>3</sup> Respondent's contention that the completion of one of its projects constitutes "previously unavailable evidence" is hereby rejected.

that it will effectuate the policies of the Act to assert jurisdiction herein.

## II. THE LABOR ORGANIZATION INVOLVED

International Union of Operating Engineers, Local 624, AFL-CIO, is a labor organization within the meaning of Section 2(5) of the Act.

## III. THE UNFAIR LABOR PRACTICES

### A. *The Representation Proceeding*

#### 1. The unit

The following employees of Respondent constitute a unit appropriate for collective-bargaining purposes within the meaning of Section 9(b) of the Act:

All operating engineers and mechanics employed by Respondent at its construction site at the NASA Space Technology Laboratory facility in Bay St. Louis, Mississippi, including back hoe operator, crane operator and bobcat operator; excluding truck drivers, office clerical employees, guards and supervisors as defined in the Act.

#### 2. The certification

On October 2, 1980, a majority of the employees of Respondent in said unit, in a secret-ballot election conducted under the supervision of the Regional Director for Region 15, designated the Union as their representative for the purpose of collective bargaining with Respondent.

The Union was certified as the collective-bargaining representative of the employees in said unit on November 12, 1980, and the Union continues to be such exclusive representative within the meaning of Section 9(a) of the Act.

### B. *The Request To Bargain and Respondent's Refusal*

Commencing on or about December 19, 1980, and at all times thereafter, the Union has requested Respondent to bargain collectively with it as the exclusive collective-bargaining representative of all the employees in the above-described unit. Commencing on or about January 29, 1981, and continuing at all times thereafter to date, Respondent has refused, and continues to refuse, to recognize and bargain with the Union as the exclusive representative for collective bargaining of all employees in said unit.

Accordingly, we find that Respondent has, since January 29, 1981, and at all times thereafter, refused to bargain collectively with the Union as the exclusive representative of the employees in the ap-

propriate unit, and that, by such refusal, Respondent has engaged in and is engaging in unfair labor practices within the meaning of Section 8(a)(5) and (1) of the Act.

## IV. THE EFFECT OF THE UNFAIR LABOR PRACTICES UPON COMMERCE

The activities of Respondent set forth in section III, above, occurring in connection with its operations described in section I, above, have a close, intimate, and substantial relationship to trade, traffic, and commerce among the several States and tend to lead to labor disputes burdening and obstructing commerce and the free flow of commerce.

## V. THE REMEDY

Having found that Respondent has engaged in and is engaging in unfair labor practices within the meaning of Section 8(a)(5) and (1) of the Act, we shall order that it cease and desist therefrom, and, upon request, bargain collectively with the Union as the exclusive representative of all employees in the appropriate unit and, if an understanding is reached, embody such understanding in a signed agreement.

In order to insure that the employees in the appropriate unit will be accorded the services of their selected bargaining agent for the period provided by law, we shall construe the initial period of certification as beginning on the date Respondent commences to bargain in good faith with the Union as the recognized bargaining representative in the appropriate unit. See *Mar-Jac Poultry Company, Inc.*, 136 NLRB 785 (1962); *Commerce Company d/b/a Lamar Hotel*, 140 NLRB 226, 229 (1962), enfd. 328 F.2d 600 (5th Cir. 1964), cert. denied 379 U.S. 817; *Burnett Construction Company*, 149 NLRB 1419, 1421 (1964), enfd. 350 F.2d 57 (10th Cir. 1965).

The Board, upon the basis of the foregoing facts and the entire record, makes the following:
